

Kepiting Saus Padang (Crab with Padang Sauce)

Ditulis oleh Indra Halim

Kalo datang ke sumatra ini yang tidak boleh di hilangkan dari perut anda..resep ini sudah dari dulu sangat enak di makan.

Extremly wonderful melt inside our mouth. for those crab lovers you should try this food style. they do come in different spicy level. so u have to check wud spicy level you loved in your mouth hehe…

If you guys happens to know hot buns in jalan gajah mada it will be just around that corner..wont be hard to find.

back to padang sauce, i would recommend this place to eat seafood as well as their food is nice and this padang sauce taste just nice. not too spicy since i cant eat to spicy food. well if you happens to drop into this restaurant please order their BAKAR foods not goreng foods. the reason because they are good at BAKAR foods. haha..

Here is the pic of the crab in saus padang.
