

Pisang Molen

Ditulis oleh Indra Halim

This is unique food in medan that is CHEAP only cost you guys 10 cents/each

It made from flour for skin and wrap around fresh banana and fried them into hot stove….this one u could find around medan street..but if you are not local it might be hard for u to find. u cant find them in stores cause they need to prepare it fresh n nice for u to eat..

eniwei if you find a good pisang molen seller it might taste nyam nyam :7-8
