

## Tempe Bacem

Ditulis oleh Indra Halim

If you happen to visit indonesia and eat indonesia food you should go and try Tempe bacem. one of the very traditional food that taste very nice in mouth and it said very nutritious.

btw anybody could help me with english for tempe? hehe

Tempe could be prepared in many ways. which is stir or fried or mix with other foods. tempe do mix very well in spicy foods.

However i happen to visit Daun pisang in medan which they already open up the second branch cemara asri. Daun pisang happens to be in medan for 2-3 years now. one of their speciality will be Daun pisang fried chicken. which im going to report in my next review.

n overall tempe bacem at daun pisang review:
